As we plan towards our shared future, we will be focusing on respectful communication. Bring your dreams with a listening ear for the hopes of others.

Hope Grows Here!

Such an inspiring theme for the 24-25 Stewardship Campaign!

It is the generosity of our members that makes possible this vital, liberal, faith community. We are blessed with outstanding staff and volunteers who work tirelessly, inspiring us to do good works among ourselves and in the wider world.

While we care for each other, we are united in working toward a more just society and sustainable way of life.

Pledges are gifts from the heart. What does this community mean to you?

What would your life be like without Granite Peak UUC?

— Rick Denney

Using the Giving Guide

1. Determine your monthly income or resource level.
2. ADD to your income level any unusual or periodic income, such as inheritances, business income, anticipated investment income, etc.
SUBTRACT any unusual expenses, such as large medical expenses, care of a parent, or a large financial expense, etc.
This is your Adjusted Monthly Income.
3. From the Adjusted Monthly Income column, move to the right to find a suggested giving level that you are ready to support, between 2% and 10%, depending on adjusted income and level of commitment. Interpolate between guide levels if needed.
